SUBJECT: New SP3 Processor Customer Response - Germany

DATE: November 2011

“Hello Mr. Tanner,

Well Mr. Tanner, what can I say: I have owned the Bryston SP3 Processor now for 3 weeks. **This Processor is just awesome!!**

The performance is stunning!

Total control over the whole spectrum, very clear accurate sound, very crisp reproduction, very logical and easy to use,could go on and on....

I have 2 Bryston Power Packs and a 9B SST (3 channel) as Power Amps connected.

They drive a 5.0 PMC Speaker Set up.

Just wanted to tell you that the SP3 is the crown to my Sourround System!! - Perfect!!”
