**SUBJECT: Bryston Mini A Bookshelf Speaker Show Demo**

February 2015

Hi James,

The **NORDDEUTSCHE HIFI DAYS 2015** Show in Hamburg was great, only 2 days, but especially on Saturday totally full of visitors. And we had just **fantastic feedback on Bryston Mini-A speakers** which we played with B60 and B135.

The last day before show ends one visitor (who visited us several times with friend during the day) came and asked if he can buy speakers on the show and take with him.

This is great and very unusual in Europe to sell equipment at an audio show.

Also today one reviewer of one important German magazine called us that he would like to test the Bryston Mini A based on what he heard at the show!

Best regards,

Edvard
