**MEMO: To All Bryston Customers**  
**SUBJECT: Bryston 14B Cubed Amplifier**

Hi James,

I hooked up our new 14B cubed demo yesterday and let it run overnight.

This morning, right after the store opened, I wanted to listen to see what it was all about and wound up sitting in the sound room for almost an hour.

This is the best Bryston amp that I've ever heard and I believe it can easily compete against others costing 2 to 3 times the price, it's that darn good!

You guys deserve a serious pat on the back for this one...

A very happy Bryston dealer,

Igor
