MEMO: To All Bryston Customers

SUBJECT: Customer Feedback BLP-1 Turntable

January 2017

Hi James

Bravo!

**Bryston BLP-1
Turntable**

**BTP-1 Bryston
Custom
Power Supply**

What an interesting experience returning to vinyl after 35 years of CDs, SACDs, DVD-As, FLAC and DSD downloads.

My first thought was that this medium is quieter. There's a certain white noise in the digital, a grainier quality that is more felt than heard.

The sound with the Bryston turntable and pre-amp is pure.
